**ICICI Bank UK Plc v. Cargill, Incorporated and Cargill Financial Services International, Inc. v. The Receivables Exchange, LLC, Case No. 15-5379**

Dear Judge Caproni:

We are counsel to third-party defendant The Receivables Exchange, LLC (“TRE”). We write pursuant to Your Honor’s Individual Practices to request that TRE’s time to respond to the third-party complaint be extended from September 15, 2015 to October 6, 2015 due to scheduling conflicts, including the series of upcoming Jewish holidays. Third-Party Plaintiffs Cargill, Incorporated and Cargill Financial Services International, Inc. consent to the requested extension. This is TRE’s first request for an extension of time and the request does not affect any other existing deadlines.

Respectfully submitted,

Michael E. Sims
